

‘Know cancer for no cancer’ campaign launched

BLK Hospital will hold as many as 60 cancer screening camps with free diagnostics and consultation in Delhi and neighbouring states as part of the massive campaign. The BLK Super Specialty BLK Hospital will hold as many as 60 cancer screening camps with free diagnostics and consultation in Delhi and neighbouring states as part of the massive campaign.

The BLK Super Specialty Hospital, in association with Rotary Club, has started a “Know Cancer – No Cancer” campaign in Delhi to diagnose prostate, breast, cervix and mouth cancer.

Aiming to provide specialised healthcare facilities to the residents of Delhi and its suburbs, an awareness campaign was kicked off to know all about cancer for better preventive measures
