

*I found my answer at BLK...*

Mukandoli Patricie

Kigali - Rwanda

I first thank God our Heavenly Father and His Son Jesus Christ who led me to come to BLK Hospital.

I thank BLK Hospital and his staff for helping me to get healed from the bad sickness of skin that I had for more than 12 years.

I thank very much Dr Urvasi for treating me with a very good heart. She has been very good to me.
