

I found my answer at BLK...

Expression of deep gratitude to
our Senior Consultant: Dr. Sushant Sivastav.

my Fiji National University made a request to B.L.K.(S.S) hospital through the director in treating the heart disease known as C.A.V.G. and it is with much pleasure that I wish to record my experience for this process.

Doctor Sushant has provided the required services for the treatment of C.A.V.G. and has supported the patients' critical care in a very exemplary way.

I wish to sincerely thank doctor Sushant and his team for the valuable contribution for the treatment of my heart disease.

I wish to convey this to the directors of B.L.K for the excellent medical care provided under the leadership of doctor Sushant.

Our university will continue to build collaborative relationship to strengthen partnership with B.L.K.(S.S) hospital further.
