

## I found my answer at BLK...

I want to take this opportunity to express my heart felt gratitude, thankfulness and appreciation to my wonderful team of urologists doctors led by Dr. Bhatyal and his team comprising of Dr. Samit & Dr. Pradhan who performed surgery on me. I will be falling short of words to express my feelings for their excellent technical expertise, warmth, affection and accessibility at all times.. I cannot also forget the resident Dr. Dany and his warmth at all times. I will be failing in my duty if I don't think all the wonderful & caring nursing staff who would attend to you at all times with a smile. I would especially like to mention and thank you Ms. Suresh at killing Shino brother, Neetu sister, Ms. Poshpa Mohatra on the 5<sup>th</sup> floor and another brother in the OT. who took such good care of me and their fantastic nursing care. I indeed found my answer at BLK with my wonderful Dr. Bhatyal who would always joke around and try to make you happy. Deeksha is a fantastic Patient Welfare officer. Keep it up BLK & hope everybody finds their answer at BLK for the best & loving medical care because what you need is medical expertise with care.
