

I found my answer at BLK...

My name's are Khadija Nyamsumi Omar, I had been previously suffering from a head tumor Pituitary Micro adenoma. Life has ~~not~~ been easy, I spend most of In and Out of hospitals, this tumor has suppressed my reproductive system making it so hard for me to conceive am married for four years now but had no luck in conceiving.

I went to the internet google found BLK hospital talked to Family and friends got funds and travelled to Delhi for treatment. Thanks to Allah almighty am now much better healthywise and I hope to improve even more I wish to say thank you to Dr. Vikas Yashpal Bundela and their impeccable team, the nurses in ICU and May God bless them for they do a wonderful job
