

I found my answer at BLK...

30th April 2017

Just want to appreciate the service given to me by the hospital and it's been good
Thanks BLK Hospital and thanks to Avinash Chourasia for making an effort to o come
to the hospital because I wasn't interested in coming to BLK but he convinced me to
come. So thanks to him again and to the entire hospital staff and Doctors...

Thanks a lot
