I, Sat Pal Kandhari along with my wife, Mrs. Meenu Kandhari happened to visit BLK on 20th May, 2017 (Saturday) for getting my health check up done and for some OPD services. The experience at BLK was really very pleasant, specially by Health Check up staff. Our special appreciations are for Ms. Harsha, who have provided excellent support, exemplary service and courteous behaviour in addition to being very hospitable. With such outstanding persons and positive approach, any organisation can achieve the new height in this crucial nature business.

Regards,
SP Kandhari
