

## I found my answer at BLK...

1. I was admitted on 27 Jan 14 for treatment of lungs congestion and chest pain. Right from the Emergency I was attended and treated very well by all doctors and concerned staff.
2. After admission I was shifted to Room no 4432, which was excellently prepared/maintained for the patient. Nurses near to my room and attended me very nicely and till date they are caring attending me in within a second in need.
3. Cleanliness and housekeeping is very good. Ms. Pooja is very caring and sweet <sup>of good nature</sup>.
4. I am under Dr. Singal / Dr. Anil Shastri's treatment. They are so nice and carefully treating me like their sister and due to them I am feeling very well today. May God fulfill their all wishes for the services they are providing to patients like me.
5. The food provided by the Chef Navin is perfect. I wish to work with him voluntary so that I can also learn the way he cooks for so many patients.
